NOTES

- (1) **Costs:** No application fee is required. All international participants pay onsite at the weekly rate of €21 (\$28 USD) towards food (2/3 meals a day) and €40 (\$50) for accommodation at an arts village setting or homestay for cultural immersion. If you are monetarily contributing to a design-build project, the €40 (\$50) for accommodation is waved. We suggest that participants apply for travel grants through their school, or other sources to cover their airfare and cost of project.
- (2) **A Reminder:** Keep in mind that our project sites are rural locations, most precisely deep in the village in Ghana, where the convenience of development has not reached.
- (3) **Travel Information:** Visa is required for most visitors from outside West Africa, which can be issued at the port of entry or via Embassy of the Republic of Ghana in your region. If you reside in the USA, here is the application form:
